

United Way of
Rock River Valley

COVID-19 RESPONSE

During the COVID-19 pandemic, providing basic and emergency needs for individuals and families became even more urgent.

United Way quickly established the COVID-19 Emerging Needs Fund raising \$1.2 million and providing 57 agencies in Boone, Ogle, Stephenson and Winnebago Counties with immediate funding for critical services.

The pandemic created a new normal for us as a community, but not for United Way. For more than 100 years, United Way has been the one organization able to mobilize quickly and efficiently raise and allocate funds to meet our communities' greatest needs.

ESTABLISHED

COVID-19 Emerging Needs Fund

RAISED

\$1.2 Million

ALLOCATED

57 Agencies in 4 Counties
