Dear Volunteer Reading Mentor,

Thank you so much for volunteering your time and talent for the "I Read" program. You are truly building the foundation for educating our children and positively impacting the rest of their lives. Your efforts will have a profound impact on our community for years to come.

It takes everyone working together to create a brighter future for us all. We all win when our children become successful in school; grow up to become independent, self-sufficient citizens; and are willing, able, and contributing members to the workforce of the future.

That is what it means to **LIVE UNITED**.

As the program continues, we hope to add more schools and volunteers so all kindergarten students will have a mentor to help with their reading and who will successfully guide them through third grade. We are grateful for your participation in this important phase of the program. Your commitment is critical for the long-term sustainability of this initiative. Please feel free to contact us at 815.968.5400 with any questions.

Thank you again for your contribution of time and talent.

Sincerely,
