Back Inside Cover: Corporate Sponsors and In Kind Donations

---

We have made our best effort to review our records and ensure that we have completely and accurately identified every one of our partners, donors, and supporters. Our reporting period for this report is between July 1, 2008 and February 1, 2010. If you find that we have made a mistake or omission, then please accept our apology and notify us so we can make appropriate corrections for future publications.
In 1919, the leaders of our community came together to form a federation of local charities which eventually became United Way. In that first campaign, we raised $93,000 to help improve the lives of individuals in the Rock River Valley. And now, 90 years later, United Way is still focused on improving lives of individuals.

Through recessions and even the Great Depression, United Way has mobilized charitable people to help others in the Rock River Valley. Through our traditional workforce campaign, we make philanthropy easy. More importantly, at a time when every dollar counts, United Way ensures that philanthropy is also effective. At a time when many frontline human service agencies are seeing revenues decrease and demand for services increase, funding from United Way is increasingly important.

Money donated to United Way changes the lives of thousands of people in our community. While this is good, it is not enough. Your United Way will approach its centennial with a renewed dedication to address critical issues in our community such as income, education, and health. At the same time we will work through partner agencies to maintain basic services, while we improve our fundraising capacity and keep our own cost of operations low.

When everyone is given the chance to become a philanthropist amazing things can happen. Just in this past year, your support has helped raise over $4.5 million to help thousands in our community. As we move forward, United Way will continue its work providing building blocks that are essential to a good life.

Together, united, we can continue for another 90 years to accomplish more than anyone can accomplish on their own.
A UNIQUE ORGANIZATION: For 90 years, United Way of Rock River Valley has been a local, volunteer-driven organization. United Way brings the community together to address critical issues such as care for the elderly, youth at risk, disaster relief, and more. United Way of Rock River Valley serves Winnebago and Ogle counties.

COORDINATION OF SOCIAL SERVICES: United Way is actively involved in coordinating various health and human services. United Way regularly conducts research to determine the community’s greatest needs and what services are available to address those needs.

EFFICIENT FUNDRAISING: United Way raises funds each year to support 90 programs at 48 local nonprofits. United Way is the most effective, efficient way to help the most people in our community.

There is a renewed focus on ensuring dollars raised support agency programs to make certain that people in need are being served and wherever possible, prepared for successful and independent lives.

Because of generous support from local corporations who underwrite United Way’s fundraising and administrative costs, 100 PERCENT of your gift is invested in programs and services in our community.

ACCOUNTABLE FUND DISTRIBUTION: Approximately 100 trained volunteers review local agency programs and community needs to direct funds where they will do the most good and achieve positive and measurable results. By investing in United Way, you know that your dollars are going to support the most needed, most efficient programs.

UNITED WAY DOES NOT OFFER ITS OWN PROGRAMMING AND HAS NO PLAN TO DO SO IN THE FUTURE.

SUPPORTING VOLUNTEERISM: The United Way Volunteer Center supports volunteerism in our community by recruiting volunteers, coordinating group projects, training nonprofit agencies, and encouraging youth involvement.

OUR PARTNERS...

YEAR in review...

THE 4.5 MILLION DOLLAR MIRACLE
After a tough economic year, United Way of Rock River Valley inspired members of the community to reach out a hand to influence the condition of all. The United Way ended the 2009 campaign year on goal, raising 4.5 million dollars.

90 YEARS IN THE MAKING
On December 4, 2009 United Way of Rock River Valley celebrated its 90th Anniversary at Memorial Hall. In 1919 community members gathered at that same location to address the growing need for human services and developed a social service federation. Over the past 90 years United Way has raised over $190,000,000 in support of essential services to the community through partner agencies.

$20,000 DONATION BRINGS RESOURCES TO THE COMMUNITY
United Way of Rock River Valley received a donation of $20,000 from First Rockford Group to support grant efforts. Our goal is to increase the amount of state, federal, and foundation revenue to local nonprofit organizations through successful research, development of collaborations, program development, and grant applications. To date nearly $100,000 in new funds have been brought into our community.

ROCKFORD UNITED LABOR GOLF PLAY DAY
For the past 15 years, Rockford United Labor has held a Golf Play Day that raises funds for the United Way of Rock River Valley. In 2009, members of Organized Labor raised $13,000 for the United Way. The partnership between United Way and Organized Labor dates back over 60 years.

HOW WE GOT TO $4.5 MILLION
• Twenty new company campaigns brought in over 60,000 new dollars.
• Rockford Health System and SwedishAmerican Health System held a competition which raised an additional $50,000 to their combined annual campaigns.
• Rockford School District 205 partnered with United Way and increased their campaign by $61,000 in 2009.

MOVING forward...
Everyone deserves opportunities to have a good life:

THAT’S WHY UNITED WAY’S WORK IS FOCUSED ON THE BUILDING BLOCKS FOR A GOOD LIFE:

EDUCATION – Helping Children and Youth Achieve Their Potential

INCOME – Promoting Financial Stability and Independence

HEALTH – Improving People’s Health and Access to Health Care

ADVANCING THE COMMON GOOD is less about helping one person at a time and more about changing systems to help all of us. We are all connected and interdependent. We all win when a child succeeds in school, when families are financially stable, when people are healthy.

United Way’s goal is to create LONG-LASTING CHANGES by addressing the underlying causes of these problems. Living united means being a part of the change. It takes everyone in the community working together to create a brighter future.

Give. Advocate. Volunteer. LIVE UNITED.
The Tocqueville Society is a national leadership-giving program created by United Way of America in 1972 to involve and deepen the understanding, commitment, and support of individuals to United Ways and to recognize the deep commitment to outstanding voluntary community service.

The Tocqueville Society of the Rock River Valley was established in 1995 to foster, promote and recognize the vital importance of local voluntary community service and personal giving at an exceptional level. Membership in the Society includes individuals and private foundations making contributions at the leadership level of $10,000 or more annually.

United Way is proud to salute Tocqueville Society members for their foresight, dedication and generosity. Together, they have a tremendous impact on our community by creating opportunities, improving lives, and making our community a better place in which to live.

Membership serves not only to advance the charitable work of the United Way, but also as an exemplary statement of caring and compassion to all citizens of the Rock River Valley.

United Way of Rock River Valley Members of the Tocqueville Society
The United Way Tocqueville Society is comprised of extraordinary philanthropists who give $10,000 or more annually, creating a profound and lasting impact on our community and on the lives of all those who live and work here. We are grateful for the incredible generosity and leadership of these caring men and women.

In the past year, over ONE HUNDRED volunteers have LIVED UNITED by giving time and talent to the community through United Way of Rock River Valley. The hours and efforts that each individual contribute are generating a positive social change right here where they live.

In the upcoming year, United Way plans to grow Volunteerism efforts by expanding our volunteer database with opportunities and prospective volunteers. At www.wevolunteer.org visitors are able to find opportunities to become engaged in volunteering.
